COLORS OF THE WIND

(Pocahontas)

Music by Alan Menken

You think I'm an ignorant savage
And you've been so many places
I guess it must be so
But still I cannot see
If the savage one is me
How can there be so much that you don't know?
You don't know...

You think you own whatever land you land on
The earth is just a dead thing you can claim
But I know ev'ry rock and tree and creature
Has a life, has a spirit, has a name

You think the only people who are people
Are the people who look and think like you
But if you walk the footsteps of a stranger
You'll learn things you never knew you never knew

Have you ever heard the wolf cry to the blue corn moon
Or asked the grinning bobcat why he grinned?
Can you sing with all the voices of the mountain?
Can you paint with all the colors of the wind?
Can you paint with all the colors of the wind?

Come run the hidden pine trails of the forest
Come taste the sun-sweet berries of the earth
Come roll in all the riches all around you
And for once, never wonder what they're worth

The rainstorm and the river are my brother
The heron and the otter are my friends
And we are all connected to each other
In a circle, in a hoop that never ends

How high does the sycamore grow?
If you cut it down, then you'll never know

And you'll never hear the wolf cry to the blue corn moon
For whether we are white or copper-skinned
We need to sing with all the voices of the mountain
Need to paint with all the colors of the wind
You can own the earth and still
All you'll own is earth until
You can paint with all the colors of the wind

Look at this stuff. Isn't it neat?
Wouldn't you think my collection's complete?
Wouldn't you think I'm the girl
The girl who has ev'rything?

Look at this trove, treasures untold
How many wonders can one cavern hold?
Looking around here, you'd think
Sure, she's got ev'rything

I've got gadgets and gizmos a-plenty
I've got who-zits and what-zits galore
You want thing-a-ma-bobs? I've got twenty
But who cares? No big deal. I want more

I wanna be where the people are
I wanna see, wanna see 'em dancin'
Walkin' around on those
Whaddya call 'em? Oh, feet

Flippin' your fins, you don't get too far
Legs are required for jumpin', dancin'
Strollin' along down the
What's that word again? Street

Up where they walk, up where they run
Up where they stay all day in the sun
Wanderin' free, wish I could be
Part of that world

What would I give if I could live
Outta these waters?
What would I pay to spend a day
Warm on the sand?

Betcha on land they understand
Bet they don't reprimand their daughters
Bright young women, sick of swimmin'
Ready to stand

And ready to know what the people know
Ask 'em my questions and get some answers
What's a fire?–and why does it
What's the word? Burn

When's it my turn?
Wouldn't I love, love to explore
That shore up above, out of the sea
Wish I could be part of that world

Aladdin
I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
You last let your heart decide?

I can open your eyes
Take you wonder by wonder
Over, sideways, and under
On a magic carpet ride

A whole new world
A new fantastic point of view
No one to tell us no
Or where to go
Or say we're only dreaming

Jasmine
A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world
With you

Aladdin
Now I'm in a whole new world with you

Jasmine
Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky
A whole new world
(Aladdin: Don't you dare close your eyes)
A hundred thousand things to see
(Aladdin: Hold your breath–it gets better)

Jasmine
I'm like a shooting star
I've come so far
I can't go back to where I used to be

Aladdin
A whole new world
(Jasmine: Every turn a surprise)
With new horizons to pursue
(Jasmine: Every moment, red letter)

Both
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

Aladdin
A whole new world
(Jasmine: A whole new world)
That's where we'll be
(Jasmine: That's where we'll be)

Aladdin
A thrilling chase

Jasmine
A wondrous place

Both
For you and me

Yes, I made the choice
For Papa–I will stay
But I don't deserve to lose my freedom in this way
You monster!
If you think that what you've done is right, well then
You're a fool
Think again

Is this home?
Is this where I should learn to be happy?
Never dreamed
That a home could be dark and cold
I was taught
Every day in my childhood
Even when we grow old
Home will be where the heart is
Never were words so true
My heart's far, far away
Home is too

Is this home?
Is this what I must learn to believe in?
Try to find
Something good in this tragic place
Just in case
I should stay here forever
Held in this empty space
Oh, but that won't be easy
I know the reason why
My heart's far, far away
Home's a lie

What I'd give to return
To the life that I knew lately
But I know
That I can't
Solve my problems going back

Is this home?
Am I here for a day or forever?
Shut away
From the world until who knows when
Oh but then
As my life has been altered once
It can change again
Build higher walls around me
Change every lock and key

Nothing lasts
Nothing holds
All of me
My heart's far, far away
Home and free

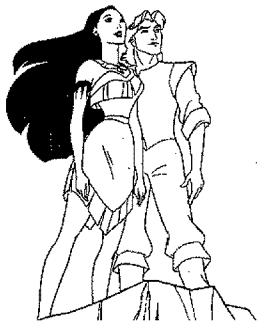
JUST AROUND THE RIVERBEND

(Pocahontas)

Music by Alan Menken

Lyrics by Stephen Schwartz

© 1995 Wonderland Music Company, Inc. and Walt Disney Music Company
International Copyright Secured All Rights Reserved



What I love most about rivers is:
You can't step in the same river twice
The water's always changing, always flowing
But people, I guess, can't live like that
We all must pay a price
To be safe, we lose our chance of ever knowing
What's around the riverbend
Waiting just around the riverbend

I look once more
Just around the riverbend
Beyond the shore
Where the gulls fly free
Don't know what for
What I dream the day might send
Just around the riverbend
For me
Coming for me

I feel it there beyond those trees
Or right behind these waterfalls
Can I ignore that sound of distant drumming
For a handsome sturdy husband
Who builds handsome sturdy walls
And never dreams that something might be coming
Just around the riverbend?
Just around the riverbend

I look once more
Just around the riverbend
Beyond the shore
Somewhere past the sea
Don't know what for...
Why do all my dreams extend
Just around the riverbend?
Just around the riverbend...

Should I choose the smoothest course
Steady as the beating drum?
Should I marry Kocoum?
Is all my dreaming at an end?
Or do you still wait for me, Dream Giver
Just around the riverbend?

SOMETHING THERE

(Beauty and the Beast)

Lyrics by Howard Ashman

Belle
There's something sweet
And almost kind
But he was mean, and he was coarse and unrefined
And now he's dear and so unsure
I wonder why I didn't see it there before?

Beast
She glanced this way, I thought I saw
And when we touched she didn't shudder at my paw
No, it can't be...I'll just ignore
But then she's never looked at me that way before

Belle
New and a bit alarming
Who'd have ever thought that this could be?
True that he's no Prince Charming
But there's something in him
That I simply didn't see

Lumiere
Well, who'd have thought

Mrs. Potts
Well, bless my soul

Cogsworth
Well, who'd have known

Mrs. Potts
Well, who indeed?

Lumiere
And who'd have guessed they'd come
Together on their own?

Mrs. Potts
It's so peculiar

Mrs. Potts/Lumiere/Cogsworth
Well, wait and see, a few days more
There may be something there that
Wasn't there before

Cogsworth
You know, perhaps there is something there that
Wasn't there before

Mrs. Potts
There may be something there that

And I can fly
I'll touch ev'ry star in the sky
So this is the miracle that I've been dreaming of
Mmm, mmm, so this is love

Someday my prince will come
Someday we'll meet again
And away to his castle we'll go
To be happy forever I know

Someday when spring is here
We'll find our love anew
And the birds will sing
And wedding bells will ring
Someday when my dreams come true

I'M WISHING

Wanna know a secret?
Promise not to tell?
We are standing by a wishing well
Make a wish into the well
That's all you have to do
And if you hear it echoing
Your wish will soon come true

I'm wishing (I'm wishing) for the one I love
To find me (to find me) today (today)
I'm hoping (I'm hoping), and I'm dreaming of
The nice things (the nice things) he'll say (he'll say)

I'm wishing (I'm wishing) for the one I love
To find me (to find me) today (today)

ONE SONG

Now that I've found you
Hear what I have to say
One song, I have but one song
One song, only for you
One heart tenderly beating
Ever entreating, constant and true

One love that has possessed me
One love, thrilling me through
One song, my heart keeps singing
Of one love
Only for you

SO THIS IS LOVE

I wonder, I wonder
I wonder why each little bird has a someone
To sing to
Sweet things to
A gay little love melody?
I wonder, I wonder
If my heart keeps singing will my song go winging
To someone
Who'll find me
And bring back a love song to me?

A dream is a wish your heart makes
When you're fast asleep
In dreams you will lose your heartaches
Whatever you wish for, you keep
Have faith in your dreams and someday
Your rainbow will come smiling through
No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

...the dreams that I wish will come true

No matter how your heart is grieving
If you keep on believing
The dream that you wish will come true

I know you!
I walked with you once upon a dream
I know you!
The gleam in your eyes is so familiar a gleam
Yet I know it's true that visions are seldom all they seem
But if I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream

But if I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream

I know you!
I walked with you once upon a dream
I know you!
The gleam in your eyes is so familiar a gleam
And I know it's true that visions are seldom all they seem
But if I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream
